

SDLCore::IRenderer

```
classDiagram
    class SDLCore_IRenderer["SDLCore::IRenderer"]
    class SDLCore_SDLRenderer["SDLCore::SDLRenderer"]
    SDLCore_SDLRenderer --|> SDLCore_IRenderer
```

The diagram illustrates a class hierarchy. At the top is a gray-shaded box labeled "SDLCore::IRenderer", representing an interface. Below it is a white box labeled "SDLCore::SDLRenderer", representing a concrete implementation. A blue arrow points from the SDLRenderer box up to the IRenderer box, indicating that SDLRenderer inherits from or implements IRenderer.

SDLCore::SDLRenderer
